# Electronic Marketing Opportunities

## Buyers Guide Entry - £275

The PECM Global Buyers Guide is an industry leading business and comprehensive product search tool, promoting innovative companies and product technology to key buyers within all industry sectors.

PECM generates thousands of unique visitors every month providing B2B opportunities, an easy to use search option and a wide variety of industry categories.

## eNewsletter Entry - £295

Directly sent to the inboxes of over 234,000 of the most up to date key decision makers within the Process, Engineering & Manufacturing industries.

With no limit to word or image count, the eNewsletter is a great way to get your full story across to our readership. A completely digital distribution and enquiry system means the eNewsletter is the best way to get the most from your marketing budget.

To see a copy of the latest newsletter simply go to [pr.pecm.co.uk](http://pr.pecm.co.uk)

## Web Banners - £550

With the PECM website receiving an average of 18,350 views per month, this is a great opportunity to take advantage of publishing your very own rotating or static web banner, which in turn will drive traffic directly through to your own website generating some fantastic enquiries. We will also supply you with in-depth statistics, generated from your banner as and when requested throughout the year. The banner will be held on the site for 12 consecutive months from the date of publishing. **Please note:** We have limited amount of availability due to high demand and restricted space.
