

FOCUS ON SOLENOID VALVES

For the past five years Shelley Automation Ltd has been field testing a range of Solenoid valves from the world leaders in valve manufacture. Following extensive testing the Fluidtec valve consistently delivered high performance tested against similar products in the market. Shelley Automation is now offering the Fluidtec valve at the highly competitive price of £27, giving you a quality product whilst delivering financial savings.

**THE 5/2 1/4 BSP SOLENOID SPRING VALVE
IS ON OFFER AT JUST £27
INCLUDING SILENCERS AND FITTINGS UP TO 8MM.**

ADDITIONALLY WE OFFER A RANGE OF EXTRAS WORTH CONSIDERING WITH A VALVE PURCHASE:

- EXTRA SILENCERS
- SPARE COILS
- NYLON TUBING

SELECTING THE CORRECT SOLENOID VALVE IS VERY IMPORTANT FOR YOUR BUSINESS
